DreamLITE

From the Desk of Managing Trustee...

Dear friends,

Wish You All Happy, Prosperous & Healthy Year 2012!

We are proud to inform you that 'Make My Dream' has made significant progress with regard to rehabilitation of these 'Special Children'. Through rehabilitation program our children are receiving many more opportunities like quality education, motivational books, health upkeep, personality development, communication skills and entertainment. All this leads to tremendous boost up in their confidence level and increased their efforts in optimum utilization of their aptitude / hidden potential and instincts in achieving their goals and dreams.

Experience of execution of rehabilitation program for these candidates is a mix bag. Candidates are receiving significant help from one class of aware society, at the same time getting ominous treatment from other part of society, who even not considered them as human being & humiliate them.

We have expressed our strong views on this in our article published in 'Dainik Loksatta' on 30th November, 2011.

We are proud to state that in spite of such humiliating treatment received from the part of society, our candidates are on the path of make over and they are advancing towards their goal, which is just possible because of self healing thoughts received through our counseling.

I am glad to inform you that we are gradually stepping ahead towards implementation of Phase II, which is our dream project. As such, we are in the process of raising funds for acquisition of the land admeasuring 1 to 2 acre for the project at the outskirts of Pune city.

With these achievements, considering the number of candidates refrained from taking education after 10th due to non availability adequate support programs, we have decided to add 15 new candidates in the next academic year i.e. 2012 to 2013. Thus the total number of candidates under support will be 22 during next academic year.

One can imagine now, the budget for next academic year has been triggered up tremendously.

negative emotions about their disabilities. It's just a mental block and once they overcome from it, they can create more and more success stories. We are confident that these candidates will wonder when they will look back to their past and the road wherefrom they have come.

To make the support program more effective, we have started personality

development sessions to the candidates since October 2011. Shri Amit Deokule, International Life Balance Coach has joined our hands for this. Shri Deokule is taking lot of pains and using varied methodology to reach the mind set up of candidates. He introduces the candidates with their self and keeps motivated the candidates for pursuing their goals.

Candidate's Academic Progress

We are also happy to announce that all the candidates have cleared their terminal examination successfully. Everybody is aware of the vast gap between the understanding level for 10th standard and understanding level required for 11th standard. So it became challenge for us to encourage all the candidates to keep them with the pace of 11th standard and understand their domain subjects thoroughly.

We would like to mention that recently the team of students has joined our hands from Fergusson College, Pune, for English tuitions to our candidates. All are studying in 11th standard but we appreciate their enthusiasm as they are helping us by managing their own studies / examinations.

Hats of to them and their teacher Mrs. Rekha Ingalhallikar, who appealed these students and they joined us without hesitation and parting the work voluntarily. At this age they possess the thoughts to think beyond 'self'...

Mrs. Amrita, is imparting electronics tuitions to Yuvraj since October 2011. Yuvraj is pursuing MCVV, Electronics. When we came to know that he is weak in English and that too have to learn electronics in English, Amrita came to rescue and she started shouldering this responsibility. She is doing the work voluntarily.

Hats of to Amrita...

Unique Counseling / Personality Development

We constantly charge up these candidates to keep motivated for pursuing their dreams through our unique counseling and try to inculcate in them vital point of "self help". We are receiving positive response from the candidates to our "one to one" counseling efforts / meeting at weekly interval.

We always impress upon the candidates that they are part and parcel of society and should lead living like a normal human being healing themselves for

exhibition for consecutive two years. It is the platform for new social organizations to take their activity to the masses.

'Make My Dream' Foundation had fabulous response in the exhibition in terms of volunteers for varied activities like tuitions, therapies for candidates and we could able to collect sizable donation.

Special Mention

We are aware that social activity like ours is impossible without the kind support of donors / volunteers.

Shri. Gumaste, has sponsored 'Tabla & Harmonium' class fees of Yuvraj & Irfan, when he came to know their hobbies & urge to acquire advance skills in it.

While running the rehabilitation program for candidates, we came across few ominous incidents, which were disturbing our candidates, as such we decided to write something for social awareness. Shri. Mukund Sangoram, President Editor, Dainik Loksatta immediately responded and published our article 'Samaj Susanskrit Kadhi Honar', in 'Danik Loksatta' on 30th November, 2011.

Mrs. Vinaya Desai has helped us in preparing this article. She did the job voluntarily managing her hectic schedule.

Dr. Mohini Wadadekar, is giving magnet therapy and homeopathy medicines to Yuvraj, as he has problem in concentration. She is doing the work voluntarily.

Thanks to all those persons like Shri. Gumaste, Shri. Sangoram, Mrs. Vinaya Desai & Dr. Mohini Wadadekar, who are supporting our activity with the support whatever they can do. Trust is thankful to all for their timely & precious help.

एकवेळ पुन्हा...

भय गेले, निराशा गेली, तिमिरही लोपला
न्युनगंड मनातील नाहीसा झाला
जीवनातील सौंदर्याचा साक्षात्कार झाला
सुवर्णक्षण आयुष्यात पाहावे वाटते
एकवेळ पुन्हा जगावे वाटते ॥१॥

जीवनातील प्रवास असेलही उन्हाळा
प्रवासात लागतील उन्हाच्या झळा
झळांमुळे मला कष्ट होतील फार
तरी त्या कळा सोसाव्या वाटते
एकवेळ पुन्हा जगावे वाटते ॥२॥

आयुष्याचे पुस्तक आहे खूप मोठे
काही धडे त्यातील असतीलही खोटे
खोट्या धड्यांमध्ये रूतले जरी काटे
तरी ते पुस्तक वाचावे वाटते
एकवेळ पुन्हा जगावे वाटते ॥३॥

मनातील निराशा ज्यांनी केली नष्ट
माझ्यासाठी ज्यांनी केले फार कष्ट
सांगितली ज्यांनी मला आयुष्याची गोष्ट
त्या श्रमांचे चीज करावे वाटते
एकवेळ पुन्हा जगावे वाटते ॥४॥

कष्ट करीन अपार आणि होईनही मोठा
मिळविन मी मान, धन, आणि ज्ञानाचा साठा
त्याच्यामध्ये असेल तुम्हा सर्वांचा वाटा
उपयोग त्याचा समाजासाठीच करावे वाटते
जीवनाचे सार्थक करूनच मरावे वाटते
एकवेळ पुन्हा जगावे वाटते ॥५॥

Humble Appeal

Under Phase II, we have planned to set up a complete Rehabilitation Center within a span of 3 years to cater the basic needs of these special children, like food, shelter, education and medical aid, counseling, vocational training, cultural & recreational facilities. It will be a dream project of the Trust & we are sure that we will be successful in implementing the same as scheduled with the kind patronage of our donors.

Yes, the work need to carry out by manifold hands then only it will definitely reach to desired goals. It is the work of masses and requires small share from individual belonging to the society, for bringing the parity between the society and duty towards all the special fellow sufferers.

Like our candidates Trust aims at becoming "Self Reliant" in every aspect including financial matters at the earliest and hence a sincere appeal to our donors to come forward and join our hands.

These Special Children will ever remain grateful for every opportunity received by them and shortly will be self reliant in every aspect of life and will be in a position to offer equal opportunity to their fellow sufferers.

Needless to mention our donors are eligible to get 50% exemption under section 80G of Income Tax Act, 1961.
