

From the Desk of Managing Trustee...

Hello Everyone,

Meeting after a break of 4 years.... 2020-2023, three years, no dialogue, no communication, just like a quiet world! Covid 19 badly affected the whole world in terms of inter personal relationship, communication, personal meetings, gatherings and much more.

Make My Dream Foundation continued its journey during these three years with steady pace. Covid 19 emerged with some out of the box challenges. During first phase of covid / lockdown we ensured that all our candidates have secured and safe stay. In some cases we sent them back to their hometowns. With the help of various NGO's, personal donations, government sources, we supplied them monthly grocery so that their family should at least have food. We raised funds through special fund-raising drive for those who lost the jobs / were not getting monthly payments regularly during this period. In the next stage, we focused on their vaccination.

Covid 19 had diverse effect on overall education system, classroom study, in person admission process, final examinations and quality education. As an NGO, we had also witnessed major setback in candidates admission, monitoring their schedules, systematic payment of their tuition fees, payment of room rent and mess bills. The chaotic situation continued till November 2021. Slowly recovery started and candidates got admitted online in colleges and then approached us for financial help.

The online study / education System witnessed an extreme usage of technology. We monitored and ensured that all our candidates have minimum gadgets for online education. However, 2020-2021 was a very challenging year with disruptive education and confusing results.

During academic year 2021-2022, candidates adapted to the online system and overall education system also recovered with good speed. Our admission process also got smoother & we tried to overcome the new challenges swiftly.

However, we had to curtail many indoor / outdoor activities considering these special ones who need extra care during this bad patch. We got an opportunity to accomplish challenging projects during this patch. Number of cochlear implant cases approached us and we are happy to state that we have successfully accomplished annually one case of cochlear implant since 2020. Also, we accepted challenge of corrective surgery of club foot case of ex candidate Rangnath Gadekar and completed it successfully in 2021-2022.

Unfortunately, we had to reduce many indoor / outdoor activities considering these special ones who need extra care during these challenging times.

We were able to get accomplished some medical successes during this time. We have successfully done annual case of cochlear implant since 2020. In 2021/22 we accomplished a complex/challenging corrective surgery for club foot case of ex candidate Rangnath Gadekar.

"Of course, the projects we had accepted during these three years are of huge fund requirements. So, I am deeply indebted to the kind gesture of our domestic and foreign donors, CSR partners, who offered unreserved support to all the ventures we have undertaken during this period.

We saw education systems restoring in academic year 2022-2023 proved to be restored education system and good number of students approached us for financial help. We were able to help about 20 students. We are happy to state that we could explore support to 11 hearing impaired candidates in current year. For the first time, we accepted the challenge of taking these hearing impaired ones in trekking expedition. All have enjoyed a Korigad Fort trek and the expedition went well beyond imagination. Few ex-students got the employed during this year, few got married and thus their life got streamlined. Overall, a win-win situation in current academic year.

Under our Mobility Project, we have extended the scope of project by supplying a special modified vehicle to ex candidate Sagar Bharat. Our aim seems to be imbibed by the ex- candidates and they are honestly following the Make My Dream Foundation's values.

During this period, we have extended support to blind candidates also. So, we are on the path to our main objective of inclusive candidates. We are happy to offer support to candidates with loco motor disability, Hearing Impaired, Blind and Cerebral Palsy.

About "Gurukul" – the project couldn't progress further due to Covid 19 restrictions. Now as the restrictions are over, we expect to speed it up shortly.

Finally, I am deeply indebted to all our supporters, CSR partners, well-wishers, volunteers and management team, who offered robust support in all our endeavors. I am confident to continue this journey with you all with the same zeal and zest.

Warm Regards,

Medha Kulkarni
Chairman

Annual Day Celebration 2019

Make My Dream Foundation has celebrated its 10th Annual Day at Kalmadi Auditorium, Erandwane, Pune on 14th April, 2019 in presence of Chief Guest Shri. Madhukar D. Deshpande, Chairman of Swami Vivekanand Jeevanjyot Sanstha.

The event was commenced with the classical performances by our blind candidate Chaitanya Sindalkar & team. The Sunday morning became musical & memorable with their performances. Best candidates were awarded with excellence awards under various categories. Responsible parent has also been felicitated to encourage responsibility among parents. The awards were distributed from the interest earned on "Earmarked Funds for Awards" given to trust by few donors.

On the eve of completion of a decade, volunteers who contributed relentlessly in our journey were acknowledged through the hands of chief guest Shri, M. D. Deshpande. The event was eloquently anchored by Mrs. Vinaya Desai.

Annual Day Celebration 2020-2022

Make My Dream Foundation has celebrated its 13th Annual Day at Ganesh Auditorium, Tilak Road, Pune on 24th April, 2022 in presence of Chief Guest Mrs. Mrunalini Vanarase, Writer and Invitee Guest Mr. Atul Narkhede, CEO, Great Software Laboratory Pvt. Ltd. Due to Covid Pandemic restrictions, we could able to celebrate the function after a gap of 2 years.

Best candidates were awarded with excellence awards under various categories for the Academic Years 2020, 2021 & 2022. Responsible parent has also been felicitated to encourage responsibility among parents. The awards were distributed from the interest earned on "Earmarked Funds for Awards" given to trust by few donors.

On the eve of function, volunteers who contributed relentlessly in our journey during years 2020-2022 were felicitated through the hands of Chief Guest Mrs. Mrunalini Vanarase and Guest Mr. Atul Narkhede.

The event was eloquently anchored by Mrs. Vinaya Desai.

14 Years of Journey so far....

Guest Speakers on varied subjects for candidates like Personality Development, Know your Health and Fitness, Origami, Space Travel and many more...

Confidence booster activities for candidates – Trekking to Parvati, Rajmachi Fort, Sinhgad Fort, Purandar Fort, Shivneri Fort, Lohogad Fort and Korigad Fort.

Walkathon 2015 – Rally lead by Divyang candidates – To Create awareness in society about genuine problems of divyang candidates

Drawing Competition – 291 participants from varied special schools hail from Pune City – Organized the competition for all kinds of divyang children in 2017

Music Competition (Vocal and Instrumental) – 200 participants from different special schools of Pune City and outskirts – Organized the competition for all kinds of divyang children at their doorsteps in 2018

Camp @ Village Sonvadi / Gajvadi District Satara to outreach candidates from rural area

Annual Gathering for candidates – organized since 2012 – distribution of prizes for best candidates under different categories

Participation in unique exhibition "Dene Samajache" – In year 2011 and 2012 in Pune City and in year 2019 and 2020 in Vile Parle, Mumbai

Library for candidates - collection of 650 books on varied topics

Celebration of Rakhipournima, Deepavali - we organize visits with candidates to other NGO's, Old Age Homes to celebrate

Dream Vision Fund – To imbibe social responsibility in candidates – since 2014 self-reliant candidates contributed small amounts in the fund – Annual social project from the funds

Article Making Activity – Income Generation Source – Handmade Paper Bags, Greeting Cards, Envelope made by candidates – since 2015 – sale of articles through exhibitions like Urja, Srujan in year 2015, 2017, 2018

Visit of Students from Okayama Gakugeikan High School, Japan – year 2017 and 2019.

PROGRESS OF CANDIDATES UNDER SUPPORT PROGRAM

2019 – 2023 (4 Years)

Year 2016-2017 Batch

Rangnath Gadekar: Rangnath successfully completed Bachelor of Fine Art (Graduation) from J. J. Institute, Mumbai with 52% marks. He is doing job in Graphic Designer Company in Mumbai. We have supported him for Tuition fees and study material.

Kalyani Kale: Kalyani successfully completed Bachelor of Computer Application at C.T. Bora College, Shirur with 65% marks. She is doing job in private Company. We have supported her for Tuition fees.

Year 2017-2018 Batch

Diksha Sable: Diksha successfully completed ENTIC Engineering (Graduation) at MIT Institute of Technology, Pune with 76% marks. She is doing job in Accenture IT Company. We have supported her for Tuition Fees, hostel and mess and study material.

Pawan Zambare: Pawan successfully completed B. Com. at Garware College, Pune with 80% marks. He is pursuing M. Com. And in search of suitable job. We have supported him for Tuition fees and hostel and mess.

Year 2018-2019 Batch

Chaitanya Sindalkar: After successfully completing 12th standard, Chaitanya now pursuing F. Y. B. Arts at Garware College, Pune. We have supported him for tuition fees of musical classes.

NEW ADMISSIONS

Year 2019-2020, 2021-2021, 2021-2022 and 2022-2023 Batches –

Abhishek Waghchoure: 24 years – Case of Congenital club foot – Completed First Year BCA at C. T. Bora College, Shirur with A. T. K. T. Under rehabilitation program, he pursued Second Year of BCA but couldn't succeed. Now he completed ITI (Computer Operator) and B. Arts at Kedgaon. We have supported him for education fees, hostel and mess. He is now running his own computerized service center.

NEW ADMISSIONS

Sameer Sapre: 21 years – Case of Congenital Cerebral Palsy – Completed 10th standard from S. E. C. Naigaon. Under rehabilitation program, he completed 12th Arts at Bhamchandra Junior College, Bhamboli and admitted for F. Y. B. Arts. We have supported him for education fees.

Lingdeo Pawar: 20 years – Case of Bilateral Profound Sensorineural Hearing Loss – Completed 10th standard from Shivaji Vidyalay, Barshi. Under rehabilitation program, he completed S. Y. B. Arts at C. R. Rangnathan College, Pune with 65% marks. We have supported him for education fees. He is doing job in private company.

Harshad Salunke: 20 years – Case of accidental amputation of left hand – Completed 12th Commerce from Garware College, Of Commerce, Pune. Under rehabilitation program, he completed Two Years of Art Teacher Diploma at Shikshak Pragatika College, Tarapur, Ahmednagar with 54% marks. We have supported him for education fees and study material.

Aditi Wani: 23 years – Case of Bilateral Profound to severe Sensorineural Hearing Loss – Completed 11th Commerce from Hujrpag Junior College, Pune. Under rehabilitation program, she completed S. Y. B. Com at C. R. Rangnathan Junior College, Pune with 80% marks and admitted for T. Y. B. Com. We have supported her for education fees.

Pooja Jilewad: 23 years – Case of Bilateral severe Sensorineural Hearing Loss resulting to complete deafness – Under rehabilitation program, she completed B. Arts at C. R. Rangnathan Junior College, Pune. We have supported her for education fees.

Prakash Mali: 22 years – Case of Be Microphthalmos with corneal opacity – He completed 11th Arts from Wadia College, Pune. Under rehabilitation program, he completed 12th Arts at Wadia College, Pune and admitted for first year of M. Arts (Music) at Pune University. We have supported him for education fees, hostel and mess and provided him tabla (drum), electronic lehra machine and computer having software for blind.

Rudra Chavan: 20 years – Case of Cerebral Palsy with spasticity in both upper and lower limb – He completed 12th science at Vasant Vihar Junior College, Thane - Under rehabilitation program, he completed Second Year of Engineering (Computer) at A. P. Shah Institute of Technology, Thane and pursuing Third Year of Engineering. We have supported him for education fees.

Rameshwar Popalghat: 24 years – Case of Be Nystagmus with uveal coloboma resulting partial vision - He completed F. Y. B. Arts from Wadia College, Pune. Under rehabilitation program, he completed B. Arts at Wadia College, Pune. We have supported him for education fees, hostel and mess.

Maroti Parande: 30 years – Case of Loco motor disability – PPRP left lower limb – Completed Inter Drawing and Painting from Abhinav Kala College, Pune. Under rehabilitation program, he completed Advance Drawing and Painting at Abhinav Kala College, Pune. We have supported him for education fees, hostel and mess and study material.

Harshada Gade: 18 years – Partial Blind - Case of High Pathological Myopia – Completed 12th B. B. A. from R. J. S. P. M. College, Bhosari. Under rehabilitation program, she completed F. Y. B. B. A. at R. J. S. P. M. College, Bhosari and pursuing S. Y. B. B. A. We have supported her for education fees.

Aditya Khandale: 17 years – Case of achondroplasia with Dwarfism – Completed 10th Commerce from Dnyansadhana English Medium School, Pune with 66% marks. Under rehabilitation program, he is pursuing First Year Diploma in Computer Engineering at Government Polytechnic, Pune. We have supported him for education fees.

Isha Bodhe: 20 years – Case of congenital dislocation of hip and shortening of lower limb & shift ankle – Completed Diploma in Computer Engineering from Government Polytechnic, Pune with 65% marks. She is pursuing Second Year of Computer Engineering at Modern Education Society's College of Engineering, Pune. We have supported her for education fees, hostel & mess.

NEW ADMISSIONS

Shlok Jadhav: 6 years – Case of bilateral profound hearing loss – Completed lower kindergarten from Cochlea, Pune with B grade. Under rehabilitation program, he is pursuing Upper Kindergarten at Cochlea, Pune. We have supported him for education fees.

Ved Manolkar: 4 years – Case of moderately severe hearing loss in right ear and severe hearing loss in left ear – Under rehabilitation program, he is pursuing Lower Kindergarten at Cochlea, Pune. We have supported him for education fees.

Rohit Salunkhe: 25 years – Case of bilateral profound sensory neural hearing loss – Completed F. Y. B. Arts at C. R. Rangnathan Junior College, Pune. Under rehabilitation program, he is pursuing S. Y. B. Arts at C. R. Rangnathan, College of Arts and Commerce, Pune. We have supported him for education fees.

Abhijit Dale: 17 years – Case of bilateral profound sensory neural hearing loss, deaf – Completed 10th standard at S. Patil High School, Karad. Under rehabilitation program, he is pursuing 11th Commerce at C. R. Rangnathan, College of Arts and Commerce, Pune. We have supported him for education fees.

Kadar Ali Javed Mulani: 21 years – Case of bilateral profound mixed hearing loss with delayed speech – Completed 12th Std at C. R. Rangnathan Junior College, Pune. Under rehabilitation program, he is pursuing F. Y. B. Com at C. R. Rangnathan, College of Arts & Commerce, Pune. We have supported him for education fees.

Akshay Lohkare: 22 years – Case of bilateral severe sensory neural hearing loss – Completed 10th Std at Navsamaj Vidya Mandir, Manivali. Under rehabilitation program, he is pursuing 11th Commerce at C. R. Rangnathan, College of Arts and Commerce, Pune. We have supported him for education fees.

Aniket Bhonde: 17 years – Case of bilateral severe sensory neural hearing loss, deaf and mutism – Completed 10th Std at C. R. Rangnathan High School, Pune. Under rehabilitation program, he is pursuing 11th Commerce at C. R. Rangnathan, College of Arts & Commerce, Pune. We have supported him for education fees.

Gaurav Patil: 22 years – Case of bilateral severe sensory neural hearing loss, deaf and mutism – Completed 12th Std at C. R. Rangnathan Junior College, Pune. F. Y. B. Com at C. R. Rangnathan, College of Arts & Commerce, Pune. We have supported him for education fees.

Karan Kundle: 21 years – Case of bilateral severe sensory neural hearing loss, deaf and mutism – Completed 10th Standard at Navsamaj Vidya Mandir, Manivali. Under rehabilitation program, he is pursuing 11th Commerce at C. R. Rangnathan College of Arts & Commerce, Pune. We have supported him for education fees.

Sarika Pansare: 22 years – Case of bilateral profound sensory neural hearing loss – Completed 12th Commerce at C. R. Rangnathan Junior College, Pune. Under rehabilitation program, she is pursuing F. Y. B. Com at C. R. Rangnathan, College of Arts and Commerce, Pune. We have supported her for education fees.

Swapnali Pansare: 18 years – Case of bilateral profound sensory neural hearing loss – Completed 11th Commerce at C. R. Rangnathan Junior College, Pune. Under rehabilitation program, she is pursuing 12th Commerce at C. R. Rangnathan College of Arts & Commerce, Pune. We have supported her for education fees.

Akash Bhor: 19 years – Case of bilateral profound sensory neural hearing loss, deaf and mutism – Completed 10th Std at Nakoda Karnbadhir Vidyalaya, Bhivandi. Under rehabilitation program, he is pursuing 11th Commerce at C. R. Rangnathan, College of Arts & Commerce, Pune. We have supported him for education fees.

Your generous and kind help will have a precious and key role always. In present scenario incremental expenses is expected for pursuing college education.

Our donors are eligible to get 50% exemption under section 80G of Income Tax Act, 1961.

"Mobility Project"An Initiative with Different Perspective

Make MY Dream Foundation is always in thrust of providing better opportunities to its candidates of 'self reliance' with need based financial support. An envision idea of providing interest free vehicle loan emerged out of in depth thought of their 'self reliance' and self dignity. In 2014, we have provided special vehicles to 3 ex-candidates i.e. Irfan Pathan, Yuvraj Ahire and Sunita Shinde under this project. "Ear Marked Fund" amounting to Rs.2,40,000/= created out of special donations received from donors against "Mobility Project".

We are proud to state that all have repaid the loan in full. Further, in 2017 we have extended the scope of project to Akash Dasgude and Suresh Rathod by providing the specially modified vehicles. Suresh have repaid the loan in full and in case of Akash his fetal death in the year 2021 kept unpaid portion of loan which have been written off by the management of Trust.

In November, 2020, we have further extended the scope of project to Sagar Bharat by providing the specially modified vehicle. He started repaying since January, 2021.

Success: Success of the project lies in recycle of funds and making responsible the candidates towards timely repayment of debt. It reduces indirect financial burden on the government and society.

BAHA Implant - 2016

Omkar Ranjit Kadam, from Gajawadi village, was born partially deaf, missing an outer ear and ear canal in both sides. This congenital defect is called bilateral microtia with bilateral moderate to severe conductive hearing loss. BAHA- Bone Anchored Hearing Aid Implants, transmit the sound waves through the bones in our skull, or bone conduction, thereby bypassing the outer and middle ear. MMDF decided to get enhanced BAHA implants (1.3 tesla), which offer patients a high level of MRI compatibility.

In 2016, MMDF engaged Dr. Hetal Marfatia, ENT Surgeon from K.E.M. Hospital, Mumbai, for the surgery. She also helped for fund raising. Tata Trust aided Rs. 3.63 lakhs, and Murli Laj Chungai Charity Trust Rs. 0.40 lakhs.

MMDF raised funds of around Rs. 1 lakhs towards the project.

In August 2016, the operation was performed successfully. After completion of Austio Integration in November 2016, Omkar started hearing normally. BAHA Implant made him to be a part of mainstream society.

Omkar is now pursuing B. Arts and is doing fine academically.

We are very much grateful to the team of doctors, volunteers and donors who helped to make the project happen successfully.

Speech Processor - Project I-2017

Purva Kadam from Baramati is a case of bilateral congenital profound sensory neural 100% hearing loss. In January 2009, Purva underwent Cochlear Implant surgery at KEM Hospital, Pune under the guidance of Dr. Neelam Vaid, ENT Consultant. Purva integrated in normal school and started communicating near normal speech. Cochlear Implant helped her to become part of mainstream society.

Speech Processor provided to Purva in 2009 got out of production and its functioning was affected. Hence Purva was advised for up gradation of her external speech processor. The cost of new speech processor was at Rs. 5,58,750/=. Purva's mother being sole earning member in the family approached MMDF for financial assistance. She puts own contribution of Rs. 3.00 lacs and the supplier company gave discount of Rs. 0.50 lacs. MMDF raised funds of Rs. 2.09 lacs towards the gap and successfully completed the project in December 2017.

Purva completed her 10th standard successfully and pursuing paramedical education at Baramati.

Cochlear Implant - I (In the year 2020)

Master Saksham Sachin Chougule from Pune, a 2.5 years old boy, a case of bilateral profound sensorineural hearing loss. Doctor suggested Cochlear Implant for his both ears. Cochlear Implant is a device which bypasses the defective hair cells in the inner ear and directly stimulates the auditory nerve (Hearing Nerve). It involves surgical insertion and post operative rehabilitation. It is advisable to have Implant to the child at early age and so that the child can develop his language fast due to post implant rehabilitation.

Total cost of the Implant (Basic Version), Surgery and post surgery Rehabilitation was estimated at Rs. 12.83 lacs for both the ears. Against the same the parents have received Rs. 5.20 lacs as Government aid and help of Rs. 2.20 lacs from Mukul Madhav Foundation, Pune. The parents have put Rs. 3.00 lacs as own contribution and approached us to support the gap. MMDF raised funds of Rs. 1.975 lacs i.e. the gap and for the rest amount, the hospital gave discount.

The surgery was performed in March, 2020 at Moraya Multispecialty Hospital, Chinchwad by Dr. Avinash Wachasundar, ENT Surgeon. Saksham has been provided with external sound processors for both the ears and his rehabilitation is going on. He started listening and his language is developing with good pace. He will develop near normal Speech and Language very soon and will also get formal education by integrating to regular school.

We are very much grateful to donor's who contributed for this noble cause. Mr. Vivek Apte, Mrs. Smita Brave, Mr. Swaminathan Varadraja Lalgudi, Mrs. Nileema Varadan, Mr. Prakash Ketkar, Mr. Ramkrishna Neurgaonkar, Mr. Pradip Kulkarni, Mrs. Veena Patwardhan, Mrs. Kavita Athalye, Mr. Sunil Sahu, Mr. Ankush Pokale, Mrs. Carmen Lacroix, Mrs. Vidya Pathak, Mrs. Shaila Ranade, Sam Integrations Pvt. Ltd., Mr. Rohan Pai, Mrs. Manisha Gore and Mr. Dilip Wadekar have financially supported for the cause on behalf of Make My Dream Foundation.

Cochlear Implant – Project II – 2021

Master Sanket Suryawanshi from Village Kalandi, Latur, a 20 years old boy, born with normal hearing and speech ability. At the age of 15 he caught with viral fever and lost his hearing ability of both the ears in the trauma. He got diagnosed with bilateral severe to profound sensorineural hearing loss by Dr. Wachasunder. Doctor advised Cochlear Implant for at least one ear to regain his hearing ability and be part of mainstream society.

Cochlear Implant is a device which bypasses the defective hair cells in the inner ear and directly simulates the auditory nerve (Hearing Nerve). It involves surgical insertion and post operative rehabilitation.

Total cost of the Implant (Basic Version), Surgery and post-surgery Rehabilitation was estimated at Rs. 6.80 lacs for one ear. Against the same the parents have contributed Rs. 2.00 lacs and received help of Rs. 1.00 lacs from Mukul Madhav Foundation, Pune. The parents have approached us to support the gap. MMDF raised funds of Rs. 2.80 lacs against the gap and for the rest amount hospital raised donation.

The surgery was performed in July, 2021 at Moraya Multispecialty Hospital, Chinchwad by Dr. Akshay Wachasundar, ENT Surgeon. Sanket has been provided with external sound processor for operated ear and his rehabilitation is going on. Master Sanket has successfully completed ITI education & is doing job in electric shop.

We are very much grateful to donor's who contributed for this noble cause. Mr. Vivek Apte, Mr. Swaminathan Varadraja Lalgudi, Mr. Gajanan Pisal, Mrs. Nileema Varadan, Mrs. Carmen Lacroix, Mr. Girish Gumaste, Mr. Shirish Gumaste, Mr. Pramod Chikodi, Mrs Sweta Rengaswamy, Mr. Kedarnath Chakradeo, Mr. Prasad Somwanshi, Mr. Gangadhar Hardikar, Mrs. Usha Tipnis, Mr. Omkar Kulkarni, Mrs. Shivali Deshmukh and Mr. Sangram Deshmukh have financially supported for the cause on behalf of Make My Dream Foundation.

Cochlear Implant – Project III – 2022

Master Utkarsh Manoj Kurne from Nashik, a 2.6 years old boy has been diagnosed as bilateral profound sensorineural hearing loss. Doctor suggested Cochlear Implant for his both ears.

Cochlear Implant is a device which bypasses the defective hair cells in the inner ear and directly simulates the auditory nerve (Hearing Nerve). It involves surgical insertion and post operative rehabilitation.

Total cost of the Implant (Basic Version), Surgery and post-surgery Rehabilitation was estimated at Rs. 14.78 lacs for both the ears. Against the same the parents have received Rs. 4.68 lacs as Government aid, help of Rs.0.70 lacs from Mukul Madhav Foundation, Pune and Rs. 1.00 lac from Ekam Foundation, Mumbai. The parents have collected Rs. 1.50 lacs as own margin and approached us to support the gap. MMDF raised funds of Rs. 6.90 lacs i.e. the gap.

The surgery was performed in January, 2022 at Moraya Multispecialty Hospital, Chinchwad by Dr. Akshay Wachasundar, ENT Surgeon. Utkarsh

has been provided with external sound processors for both the ears and his rehabilitation is going on. He started listening and is developing slowly. He will develop near normal Speech and Language very soon and will also get formal education by integrating to regular school.

We are grateful to donor's who contributed for this noble cause. G. S. Laboratory Pvt. Ltd. Mr. Vivek Apte, Mrs. Nileema Varadan, Mr. Prakash Ketkar, Mrs. Carmen Lacroix, Mr. Prasad Somwanshi, Mr. Pramod Chikodi, Mr. Girish Gumaste and Mrs. Aparnaa Rajee have financially supported for the cause on behalf of Make My Dream Foundation.

Cochlear Implant – Project IV – 2023

Master Mohsin Firoz Shaikh from Pune, a 20 years old boy was born normal and had normal hearing by Right Ear and speech ability but he was having profound hearing loss in Left Ear since childhood, which remained untreated by his parents. At the age of 18, Mohsin was caught by viral infection of cough and cold, which affected hearing ability of Right Ear and started reducing with faster pace. His parent tried a lot to get back his hearing ability since then with the use of amplifications and treated by few specialist doctors but nothing turned positive. Mohsin was provided with powerful hearing aid but not benefitted even then. His audio logical evaluations confirmed that he has Post Lingual Right Ear profound hearing loss. Doctor suggested Cochlear Implant for his Right ear immediately so as to retain his normal speech ability. He is pursuing final year of Diploma in Animation, which is also affected due to increasing hearing trauma.

Cochlear Implant is a device which bypasses the defective hair cells in the inner ear and directly simulates the auditory nerve (Hearing Nerve). It involves surgical insertion and post operative rehabilitation.

After evaluation, Dr. Mandke recommended Nucleus TSE Sound Processor with Nucleus Profile Slim st. Electrode (C1522) version implant for his Right Ear.

Total cost of the Implant, Surgery and post-surgery Rehabilitation was estimated at Rs. 12 lacs for Right ear. Against the same the parents have received assurance / help from Indorewala Memorial Educational And Medical Institute & Research Centre (IMEMIRC), Nasik Rs. 5 lacs in the form of Government aid and asked the parent to arrange for Rs. 7 lacs. Out of Rs. 7 lacs parent have collected Rs. 4.75 lacs as own margin and approached us to support the gap. MMDF raised funds of Rs. 2.25 lacs.

The surgery was performed in February, 2023 at Indorewala ENT Hospital, Nasik by Dr. Shabbir Indorewala, ENT Surgeon. Mohsin has been provided with sound processor for Right ear and his rehabilitation is going on. He started listening immediately and he resumed to his Diploma course.

We are grateful to donor's who contributed for this noble cause. Mr. Vivek Apte, Mr. Gajanan Pisal (USA), Mr. Mandar Behere, Mrs. Nileema Varadan, Mr. Prakash Ketkar, Mr. Girish Gumaste, Mr. Mohan Hudli and Mr. Mahinder Singh have financially supported for the cause on behalf of Make My Dream Foundation.

Corrective Surgery

Master Rangnath Gadekar is under our support program since academic year 2016-2017. He completed Bachelor in Fine Arts successfully with the help of our financial support.

He is a patient of club feet since birth. His congenital deformity remained untreated since childhood. Over the period it got worsened and left with painful walking for him.

After completion of his education, Make My Dream Foundation decided to help him for corrective surgeries of both the feet. He then directed to Dr. Gowerdhan Ingale, Orthopedic Surgeon of Ramkrishna Hospital, Pune. After assessment doctor opined that Rangnath need multistage

surgical correction of both feet (one foot at a time) due to his age and severity of deformity. The surgical process includes soft tissue release and partial correction of deformity & AK stretching casts at stage 1 and Triple Arthodesis of Calcaneo Cuboid Joint, Sub talar joint & Talo Navicular joint with correction of deformity and fixation with multiple k wires with corrective casts at stage 2.

The overall time required for surgery and recovery of both feet estimated at 1 and ½ year.

The surgery of Right Feet took place in June / July 2021 and after complete recovery of the Right Feet, surgery (stage 1) of Left Feet took place in March 2022.

Now Rangnath is leading a normal walk with the use of calipers. Both the surgeries have improved his personal and functional life to a great extent.

We are very proud to be part of this mission and very much grateful to Dr. Gowerdhan Ingale for making successful both the surgeries. We are also grateful to Great Software Laboratory Private Limited and Mr. Prasad Somwanshi for having offered financial support towards the noble cause on behalf of Make My Dream Foundation.

EVENTS & ACTIVITIES

Trek the Shivneri Fort...

On 26th January, 2020 eight physically challenged students of Make My Dream Foundation successfully climbed the Shivneri Fort. They were accompanied by eight volunteers. This year five blind girl candidates of SNDT College have also participated in the trek. This was the first attempt of the blind students to climb a fort and they successfully did it with the robust support of Professor Vasanti Joshi of the college and her colleagues. They were accompanied by ten volunteers. Corporator of village Junnar felicitated the special candidates and cheered up for the event and offered local guide Mr. Swaroop, who parted detailed information about the fort to the special ones. Trek becomes adventurous study tour.

All the candidates climbed the fort with zeal and successful in inspiring the fellow sufferers. Our effort of arranging such trek for these special ones ensures their appearance in inclusive society.

On behalf of Make My Dream Foundation, Mountaineer Vishwas Patankar, Volunteers Rohit Thakur, Pranav Tambade, Ashok Rade, Trekkers Apurva Jadhav and Pranav Kulkarni have boosted the confidence of all candidates during the trek and offered their unreserved support for making the trek successful. We are very much grateful to all!!!!

Trek the Lohogad Fort...

On 28th November, 2021 eleven physically challenged students of Make My Dream Foundation successfully climbed the Lohogad Fort. They were accompanied by twelve volunteers. Eleven students include two blind candidates and one cerebral palsy candidate. This was the first attempt of the blind and CP students to climb a fort and they successfully did it with the robust support of Vasanti Joshi, Sandhya Rane, Avinash Pathak, Ketaki Pathak, Rohit Thakur and Pritam Dighe.

All the candidates climbed the fort with zeal and successful in inspiring the fellow sufferers. We are proud to see the presence of these special ones in society through this adventurous activity.

On behalf of Make My Dream Foundation, we are very much thankful to all the volunteers participated from the bottom of heart!!!!

Trek the Korigad Fort...

On 8th January, 2023 13 locomotor disability students and 11 hearing impaired students of Make My Dream Foundation successfully climbed the Korigad Fort. They were accompanied by fourteen volunteers. Thirteen students include one partially blind candidate and one cerebral palsy candidate. This was the first attempt of the 11 hearing impaired students to climb a fort and they successfully did it with the robust support of their special teachers Madhuri Gadekar and Sunita Kasar. Mr. Firoz Shaikh, father of HI candidate Mohsin Shaikh contributed a lot in co-ordination of hearing impaired students.

As usual Rohit Thakur, Pranav Dhamale, Darshan and Pritam Dighe from "Swaroopvardhini" participated in trek and offered incredible helping hand for all the students. Mr. Dwarkanath Unde, Savita Athavale, Mr. and Mrs. Chavan and young (doctor) sisters Krutika and Ketki Ladi provided enormous support to all students.

All the candidates climbed the fort with zeal and successful in inspiring the fellow sufferers. We always feel proud to see the presence of these special ones in society through this adventurous activity.

On behalf of Make My Dream Foundation, we are very much thankful to all the volunteers participated from the bottom of heart!!!!

Make My Dream Foundation was established on 27th March, 2009 with an object of complete rehabilitation of physically disabled children prevailing from economically weaker section. Make My Dream Foundation aims at:

- ◆ Empowerment of the physically challenged children through education & self-reliance and imbining in them self-confidence to be a part of an inclusive society.
- ◆ Develop basic infrastructure for divyang persons to have hassle free life.
- ◆ Create awareness in the society about genuine needs of various divyang categories and offer them varied opportunities to live dignity life.
- ◆ Establish a complete Rehabilitation Center for the physically challenged children.

In the financial year 2022-2023 considering our upcoming project of "Gurukul" a residential center, we have extended our object to rehabilitation of physically normal candidates prevailing from economically weaker section so as to comply with inclusive society in real sense.

Phase I – Current Project

In phase I, we provide support to 10th passed students for higher / vocational education and motivate them through counselling to lead self-reliant and dignified life.

Up till now we have completed rehabilitation of 40 candidates and about 35 candidates are getting benefitted under our rehabilitation program for past four years i.e. during 2019-2023. We support them financially till they complete mainstream education. Our financial support program includes educational expenses, accommodation, conveyance, study material and other requisites. We motivate them to follow healthy life style.

Initially we expose them to aptitude test and counsel about various available options consistent with their aptitude. Candidate themselves decide stream of education and we support their decision. We guide in their admission process to regular colleges and get them expose to inclusive education.

Our candidates pursue education in any stream like engineering, fine art, commerce, tourism, horticulture, crèche and pre-school management, cookery, music and electronics / IT.

We are proud to state that out of 40 candidates, whose support program has been completed, about 35 candidates are leading self-reliant life. Of them few are leading happy married life and few are pursuing competitive examinations.

We constantly imbibe in them that they are just physically challenged and mentally they are perfectly normal. Through counselling, we make them aware that just because of their financial weak condition, society is offering them various opportunities through the platform of Make My Dream Foundation and in future they will ensure to repay the debt of society by creating varied opportunities to the fellow sufferers.

Phase II – Upcoming Project - Gurukul

Make My Dream Foundation has decided to initiate its Dream Project "Gurukul": An Independent Beginning. Gurukul will be a residential facility towards support and strengthening of the physically challenged (divyang) as well physically normal candidates prevailing from economically backward category. Gurukul will have approximate 20000 sq. Ft. Construction on 1 Acre Land capacity to house about 50+ candidates and requisite caretakers. It will be situated within the vicinity of Pune City. It will also be developed as a residential cultural centre.

Gurukul will have following features:

- ◆ Residential arrangement closely situated to Regular Schools and Colleges.
- ◆ Vocational Training Unit.
- ◆ Medical Care Unit, Pre & Post Operative Care Unit, Recovery Unit
- ◆ Physiotherapy, Gymnasium and Yoga Unit
- ◆ Prosthetic Limb Manufacturing Unit
- ◆ Library (including Brail books), Audio Room (for Hearing Impaired), Music Room, Art and Craft Section, Computer Lab, Auditorium and Swimming Pool
- ◆ Horticulture, Solar Driven Projects, Water Recycling, Bio Gas Energy and Eco-Friendly Environment

For Severe Disabled Persons

Various Income Generating Projects will be generated within the campus of "Gurukul" to lead them self-reliant and Dignified Life.

Income Source

Our income source is through donations received from public only. We have not opted for any Government grant or aid. We have tried to reach many of deprived candidates through our support program.

We feel deeply indebted to all the donors of Make My Dream Foundation from the bottom of heart for their unreserved support in all our endeavours.

Your, generous and kind help is playing and will have a precious and key role always. In present scenario incremental expenses is expected for pursuing college education.

Needless to mention our donors are eligible to get 50% exemption under section 80G of Income Tax Act, 1961.

Annual Donations Received During Period 27th March, 2009 to 31st March, 2023

OUR CSR PARTNER

PASSCO Environmental Solutions Pvt. Ltd. has joined our hands in March 2022, by sponsoring Rs. 2,50,000.00 towards our child education program and became our CSR partner.

About the Company

Passco Environmental Solutions Private Limited (PESPL) is India's one of the best environmental and waste management company. PESPL is engaged in Bio-medical waste management on BOO / BOT projects. The company has two full fledged Bio-medical waste disposal facilities – one at Pimpri Chinchwad Municipal Corporation and other at Pune Municipal Corporation. Both projects are ISO 9001-2015 and EMS 14001-2015 certified.

We are very much grateful to the management of PASSCO Environmental Solutions Pvt. Ltd..

Visit of Japanese Students

On 18th December, 2019, 10 girl students of Okayama Gakugeikan High School, Japan visited Make My Dream Foundation under cultural exchange. They were accompanied with their teachers. Seventeen students of Make My Dream Foundation have present in the meeting. The meeting continued with cultural exchange about both the countries. Japanese students performed a group dance on Olympic 2020 theme song. The meeting was filled with full of joy and ended with memorable moments.

We are very much grateful to Chairman Mr. Sameer Khale and his team of Association of Friends of Japan, Pune for organizing such meetings.

"Seva Sangam", Pune

Jankalyan Samiti, RSS Western Region have organized "Seva Sangam" exhibition at Ganesh Kala Krida Manch, Pune on 18th and 19th January, 2020. The participants are NGO's from all over Maharashtra. Make My Dream Foundation got an opportunity to participate in the exhibition and spread a word about the activity to the masses.

We are very much grateful to Jankalyan Samiti, RSS Western Region for giving this platform...

"Dene Samajache", Mumbai

Artistry, Pune have organized "Dene Samajache" exhibition at Vile Parle (East), Mumbai. Mrs. Veena Gokhale, Head of Artistry, gave opportunity to Make My Dream Foundation to participate in this unique exhibition for second consecutive year. We got opportunity to spread a word about our activity in Mumbai citizens through this platform on 8th and 9th February, 2020.

We are very much grateful to Mrs. Veena Gokhale and team Artistry for giving this platform....

UNIQUE PROJECTS

Sound Processor – Project II - 2022

Tanishka Raykar from Pune, of age 17 is born with normal hearing and speech ability. She caught by meningitis at her age of 9 years and lost her hearing ability of both ears in the trauma.

In 2016, Tanishka underwent Cochlear Implant surgery at KEM Hospital, Pune under the guidance of Dr. Neelam Vaid, ENT Consultant. Tanishka integrated in normal school and started communicating near normal speech. Cochlear Implant helped her to remain part of mainstream society.

Sound Processor provided to Tanishka in 2016 got out of production and its functioning was badly affected in October 2022 requiring huge amount for repairs. Hence Tanishka was advised for up gradation of sound processor. The cost of new sound processor was of Rs. 3,12,900/=. Tanishka's father being sole earning member in the family approached MMDF for financial assistance. He raised hand loans and put own contribution of Rs. 2.00 lacs but still shortfall of Rs. 112900.00. MMDF raised funds of Rs. 1.00 lacs towards the gap and successfully completed the project in December 2022. Dr. Kalyani Mandke of Mandke Hearing Services allowed deferment in payment of balance amount of Rs. 12,900/=-.

Tanishka is pursuing her 11th standard Arts at S. N. D. T. College, Pune. She could continue her education with our timely help.

We are very much grateful to Mrs. Smita Murari Samant from U. S. A., who donated matching amount towards the project and helped us to make it happen.

OUR CSR PARTNER

Great Software Laboratory Private Limited is being with us since 2017. They started their journey with us by becoming our CSR partner towards our Child Education Program since academic year 2017-2018. They started with sponsorship of Rs. 5,00,000/= towards candidate education program. Thereafter they continued to support our child education program consecutively for three four academic years. We have received precious help of Rs. 31,00,000/= from the company during past four years towards our various projects. Proposal for academic year 2022-2023 is under consideration.

About the Company

Great Software Laboratory Private Limited (GS Lab) works with customers building innovative products and services, helping them nurture their ideas, staying with them during market validation and scaling them into viable businesses. Their deep and varied technology expertise, complemented by a customer-centric engagement model helps their customers craft solutions for critical business and technological challenges.

We are very much grateful to the management of Great Software Laboratory Private Limited for their kind gesture....

Humble Appeal

You are aware that, we have planned to set up a complete Rehabilitation Center to cater the basic needs of these special children, like food, shelter, education and medical aid, counseling, vocational training and cultural and recreational facilities.

Yes, the work need to carry out by manifold hands then only it will definitely reach to desired goals. It is the work of masses and requires small share from individual belonging to the society.

Needless to mention our donors are eligible to get 50% exemption under section 80G of Income Tax Act, 1961.

Regn. No.: E 5330 (Pune), Under Bombay Public Trust Act, 1950.
